

EPSO 27th Conference in Porto, hosted by ERS

FEEDBACK SURVEY

To Improve our meeting we would like to hear your opinion.

Questions:		Structure of the meetings				Content			Organisation of the conferences		
	What do you think about the balance between the presentations, general discussions and group discussions?	What do you think about interactive sessions using technical solutions like Mentimeter?	What do you think about pre-conference surveys?	What do you think of the content of the meeting in general?	Has it been interesting ?	Do you think you will be able to use the experience gained at the meeting at home?	Have you contributed to the content in some way?	Suggestions regarding topics for coming meetings?	Do you have any comments or suggestions about how the conferences are organised?	Do you have any comments and/or suggestions for improvement about the venue and social programme?	General suggestions for improvement.
	Answers:										
Feedback 1	The Balance was about right.	Very good	-	Very good + relevant	Yes very interesting	Yes gave me inspiration to take	yes presentation + workshop	Predictive analyses / Intelligence gathering /	-	-	

						forward some challenging issues	ps / discussions	Integrated care (health + soc.work/care)			
Feedback 2	There was a good balance. The presentations were short, which is very positive as otherwise one may lose focus.	They have a great initiative.	They should be performed before each conference.	The content was very well selected.	Yes	Yes, there are many take home experiences and ideas.	Yes	Risk based methodology	-	The venue should ideally be where the delegates are accommodated.	-
Feedback 3	Very good	Liked it very much. Clever.	Very good	Very much to the point of the subject of the conference.	Very interesting & useful	Undoubtedly. And also the contacts made.	Yes. A short presentation and in group work.				
Feedback 4	It is ok	Interesting but has to be given more time in the program	They are good input into the program	Fine	Yes	Certainly	A presentation	Risk based supervision. Users input and participation in supervision. More on use of different data in supervision.	Maybe to try to have them until 13:00 the last day if possible.	No it has been fantastic and also in former meetings I have participated in.	
Feedback 5	Good balance	Worked well, very interesting	I think they should be repeated before the	Very informative	Yes, very	Yes, no question about that :)					

			next conference								
Feedback 6	Group discussions should have more feedback	Great method, but questionnaire was too long		Great	Very	Very much so	Yes				Elections for EP board
Feedback 7	I think the balance is OK between presentations/ general discussion and groups feedback in the meeting.	Yes it's a good solution!	I don't really know if they are useful but we should try	Very good	Yes	Yes	Yes	The theme of the groups are ok.	It was well organised.	No	Election for the EPSO board.
Feedback 8	There was a good balance.	Mentimeter was useful, but should not be used too much time it limits the actual discussion.	They are helpful, but perhaps more analysis and insights can be obtained.	It is interesting and useful	Yes	Yes	We presented an Singapore approach to collecting and using data	More on the use of data in regulators, more on the role of qualitative evaluation.	-	-	-
Feedback 9	More time for a small group discussions	Great session	Good initiative	Very interesting, more on social care		Yes, about client involvement	Yes, through interventions	Outcome and regulations			More space for social care and speakers about social care
Feedback 10	Would prefer longer time for discussion	Interesting	Overloading	Ok	Yes	Some	Yes	Standards of care	No	no	

Feedback 11	Good balance	Very good but maybe start a discussion around results	I have not received a pre-conference survey	Interesting content especially the system approach and the quality framework for social care	Yes	Yes	No	More on impact on providers and user perspective			
Feedback 12	Perfect balance.	It was interesting.	They can be useful.	It was useful for all participants.	Yes, indeed.	Yes, there were a lot of interesting ideas.	Yes.	Compulsory vaccination & rejecting hereof ; sick-leaves (best experiences); beauty service providers – high risk of infections and complications; best methods of interviewing children in social and child care institutions.	Everything was great	Social programme was amazing!	Thank you for excellent organisation!
Feedback 13	Perfect balance.	It was interesting innovation.	They are useful.	It covered the issues of interest of all participants.	Yes, truly	Yes.	Yes.	.- same answer	Everything was excellent!	Amazing dinner & social programme!	Perfect organisation, thank you!
Feedback 14	Too much presentations, should have more	Good but can enhance the website	-	Good	Yes, especially the social	Yes, very useful	Yes	-new sessions of genetic screening etc; - outcome-	- more discussions and	- very good	- to include more non-European regulators (eg.

	discussions and exchange of best practices	further for allow courses, training materials and presentation to be shared further			care sector and the different interpretations of the permits/licenses			based regulation and how we do inspections and data to influence/enhance the outcome-based regulations; - <u>Singapore</u> is willing to lead in this topic and working group if it can be planned.	sharing best practices		Australia, New Zealand, Hong Kong etc) to attend the meeting and exchange more practices & ideas. Singapore is willing to help EPSO with getting more international representation at EPSO.
Feedback 15	Very good balance	Good!	Good!	Interesting, especially the lectures.	Meeting others working in the same area.	Yes.	Yes, held a table	How to define quality	-	It was excellent, maybe small room for group sessions	-
Feedback 16	Good balance.	Like it a lot. Enabling us to speak more freely.	Some of the questions were outside of my expertise.	Very good!	Definitely!	Absolutely!	Only by participating in discussion	How to supervise “soft” values.			
Feedback 17	A good balance of thought – promoting presentations and interesting conversations with delegates	Really helpful to see immediate feedback. Very good.	Helpful to understand common topics of interests.	Very interesting and thought promoting	Very.	Yes-speaking with and sharing experience with other representatives is					

						valuable to reflect and consider at home					
Feedback 18	A really good balance – making time to talk can be challenging, but this was very good!	I really hope that the results were helpful- I enjoyed thinking up my answers.	I didn't complete – sorry.	Fantastic.	Yes – thought I am a regulation nerd!	Yes.	I hope so, I feed back to the conference	Integration e.g. risk of poor integration AND whether we are right professions to regulate it.	n/a.	Perfect balance.	It would be great to have more countries here.
Feedback 19	OK.	Fun	OK, but I'm not sure it is very useful.	For me the first day was most interesting	Yes,- the first day – sp. Before lunch.	Useful for reflexions.	By listening and participating in the group discussions.	How can we handle complaints.			
Feedback 20	The balance was ok. Maybe too much general discussions. Group discussions were often more relevant to everyone.	Not necessary	ok								
Feedback 21	Excellent balance!	It was Interesting!	They are useful.	The topics fit into the spheres of interests of	Yes, very interesting.	Yes.	Yes.	Compulsory vaccination & rejecting hereof; best ways of	Everything was great.	Amazing dinner, authentic atmosphere	Go on like this! :)

				all participants.				controlling sick-leaves; beauty service providers-how to deal with high risk of infections and complications; best methods of interviewing children in child care institutions for the purpose of quality assessment.		e, wonderful social programme. We truly enjoyed all the events.	
Feedback 22	I think All of them balanced	Nice	:)	Fine	Yes	Yes
